2026/03/21 A1CLUB AWT 部会

Thank you for participating in the **AWT - A1CLUB Weekly Test**. This yearly result covers the period from February 5, 2025 to January 28, 2026.

This year's tallying has been slightly changed; numbers of participations have been counted as the "multipliers," so the "Total" is "Score" x "Participations". In addition, we have listed all stations who submitted their scores on 3830scores.com.

For any errors in the aggregated figures or requests for removal from the list, please contact JJ1FXF[at-mark]a1club.org.

Let's enjoy AWT this year! CU on the AWT. 73/88
